Project & Construction Management Experience

- 18 years of successful project management, design, construction and executive level leadership with the City and County of San Francisco
- Led the successful campaign for the \$185 million, 2008 Clean and Safe Neighborhood Parks bond, as General Manager of the Recreation and Park Department
- Delivered the renovation of the Harding Park Golf Course and club house in time for the City to host the American Express Championship in 2005
- Negotiated the partnership with the City Fields Foundation for the construction of artificial sports fields throughout San Francisco parks
- Oversaw the successful completion of the 2000 Recreation and Park department \$400 million capital improvement program, totaling 471 projects at 196 properties
- Member of the Capital Improvement Advisory Committee responsible for reviewing capital project plans and budget requests from all city departments and making recommendations to the Mayor and Board of Supervisors
- Managed City staff and consultant team who prepared a Facilities Master Plan and Bond Program report for the San Francisco Unified School District which led to voter approval of a \$295 million bond program in November 2003
- Managed the design and implementation of San Francisco City Hall's \$20 million telecommunications infrastructure subproject
- Led the design and construction effort to transform San Francisco's old fire department headquarters into a shelter for homeless families
- Design & inspection of waste water equipment systems
- Design & inspection of instrument control systems
- Construction oversight of mechanical systems at the Oceanside Waste Water Treatment Control Plant
